***Winter 2011***

## “BY NURSES, FOR NURSES”

- **Interactive Teaching Style** - The average class size is 40 students. Discussion and questions and answer periods are in all subject areas.
- **NCLEX Instruction Format** - Comprehensive outlines contain multiple test questions based on NCLEX format.
- **Excellent Faculty** - Instructors for this course are nurse educators experienced in teaching theoretical and clinical nursing. Sponsored by Nurse Educators of Illinois.
- **Successful Course** - Thirty years experience providing NCLEX-RN reviews. Current test plan and test taking strategies included.

### PURPOSE

To prepare new nursing graduates for the National Council Licensure Examination-Registered Nurse (NCLEX-RN).

### COURSE INFORMATION & CONTENT

This five-day review course runs 8:30 AM – 4:30 PM each day (mental health sessions run 8:00 AM – 5 PM). Course content includes one full day of study for mental health, obstetrics and pediatrics and two full days devoted to nursing care of adult medical-surgical clients.

### MATERIALS

Each registrant receives an NEI Review Book which includes outlines, study materials and test questions in each content area. Discussion time and question and answer periods are encouraged as time allows. A letter of confirmation, including parking information and exact program location, will be emailed to each registrant.

### COST

The course cost is \$250.00 per individual, which includes tuition and materials. Special group rates are available to colleges and schools registering in advance. Contact Leigh Ann Bonney at 309.655.6360 to arrange a group rate.
